

Certificate of Completion

This is to certify that **MR. Asmit Navodit, s/o Mr. Anirudh Kumar (Reg. No: 2311066)**, a bona fide student of **JMS Institute of Technology and Science, Ghaziabad**, has completed a **4-week Offline Industrial Training** in **C++ Development** from **June 02, 2025, to July 07, 2025, at EENT PRIVATE LIMITED.**

During this period, he actively worked on various C++ development tasks and assignments, demonstrating strong problem-solving abilities, professionalism, and enthusiasm. The training gave him valuable hands-on experience in C++ programming, object-oriented design, and application development, which will benefit his future academic and professional journey.

Throughout the training, he showcased exceptional enthusiasm, professionalism, and a strong work ethic while applying theoretical knowledge to practical development tasks. His contributions added value to the project and reflected his keen interest in software development.

We wish **Mr. Asmit Navodit** continued success in his academic and career journey.
